John -

Thank you so much for your recent contribution of \$12,000 to the Petersburg Library Art Education Endowment. Your contributions to date are \$163,540, a detailed list is included on the next page of this letter. With this contribution the balance of the fund is \$214,179.78.

Since its creation in 2012 your endowment has transformed art education programming at the library. We are now able to offer a full slate of arts programs at the library on a consistent basis. Your remarkable generosity and vision for arts education at the library is extraordinary and will leave an enduring legacy in our community. Thank you so much for your support.

Marilyn Menish-Meucci,
Library Board Chair
