Subject: Has the assembly...

Has the assembly ever considered enacting an ordinance that allowed for permanent vehicle registration tabs? It seems like they could and people in town wouldn't have such a hassle with the DMV and renewing all the time. This is from the DMV website. Feels like we are one of the only communities NOT on the list. I would love to not have to renew my vehicle! <https://dmv.alaska.gov/vehicle-services/permanent-registration-for-trailers-and-older-vehicles/>
