

Proposed Amendments in 2026-14C

Amendment	Page #	Code Citation	Explanation
1	8	19.58.030(E)	Clarifies that modifications to legally existing WCF's that meet the definition of an Eligible Facilities Request are exempt from the requirements of this chapter.
2	8	19.58.030(F)	Clarifies that a modification that qualifies as an Eligible Facilities Request (EFR) is only required to adhere to original conditions of approval if the modification exceeds the federal thresholds for a substantial change.
3	10	19.58.050(F)2	Eliminate reference to paragraph "C", which was deleted as part of the amendments adopted in second reading.
