19.76 SPECIAL USE APPLICATION

(SUBMIT WITH SITE PLAN)

Applicant(s): Brian Adam Newmman

Address or PID: Extension of Lake street at the corner of Galveston and Lake street

Project Summary:

If I acquire 1205 Lake street Lot from the borough, then i would float a road in to access 1205 Lake off of the off the corner of Galveston and Lake street.

Conditions of approval as required in Petersburg Municipal Code 19.76.020:

(Note that all regulations and requirements of Title 19 must be satisfied in order to qualify for a special use permit.)

1. The Borough Assembly may issue the permit if the request, as approved by the Planning Commission, is found to be of beneficial nature to the community and that adjacent and surrounding property will not be adversely impacted.

There are instances when the private sector needs to use borough property for uses other than what the property was initially intended for. An example would be to use a platted, but undeveloped, right-of-way for private access to private property.

Explain how your application meets these conditions:

I would like to use a platted, undeveloped, right-of-way for private access to the private property.

Hello Anna and Planning Commission Members,

I am writing to offer my support for Brian Newman's Borough Land Acquisition and Special Use Permit request, at 1205 Lake Street. This kind of development is great news for the Borough. An unneeded Borough lot will help Brian and his family improve their home and property while adding another taxable lot and new development to the Borough's collection list. This is a perfect win-win, and I hope more property owners will follow Brian's lead, and where possible, further pursue their property dreams. I hope that the Planning Commission and then the Assembly will fully support Brian in these requests.

Sincerely,
Dave Ohmer
