Attachment 3.

We would like to create an alleyway or driveway on 1107 S Nordic, Lot 4A, to provide better access for maintaining our building located at 1105 S Nordic Drive. Once the driveway is created, we intend to use it immediately to continue the repairs at 1105 S Nordic. We plan to use it indefinitely for access to the south side of 1105 S Nordic for continued ongoing maintenance. In addition, if the driveway is made wide enough it could provide full access to the back of the building, which makes it easier to maintain and stay up to date on any needed repairs. Some tree removal will be necessary to since clearing the land to make the driveway may cause some of them to be unstable.

Reid Brothers has provided an estimate of \$47,000. Additional funds will need to be spent to remove any trees that are unstable or pose a hazard. That will be determined closer to the commencement of the work.

If approved, we anticipate the work to be done this spring/summer, 2025.

As we are all aware, there is a shortage of housing. We purchased The Narrows to renovate it and provide updated, safe, clean, housing in the community. It will be exceedingly difficult to proceed with the planned repairs if access to the south side is difficult, which it is at this time. The clearing of Lot 4A or a portion of it would allow safer easier access for the contractors and help us maintain the property more effectively in the future. In addition, large tree branches that are on Lot 4A hang over the roof onto the building dropping debris and contributing to the degradation of the roof and thereby shortening its life span and costing us more money as the roof will then need to be replaced sooner than expected if current conditions remain. Tree removal will also permit substantially more light and airflow on the south side and keep the area dry in our very wet climate.

The planned repairs will increase the value of 1105 S Nordic and in turn provide more tax revenue for the Borough. The repairs will also increase housing opportunities in Petersburg reducing the pressure on an already very tight rental market which encourages residents to stay and potential residents housing options. If it is easier to access all sides of the building it makes the repairs go faster and smoother, allowing us to maintain the property more easily after the improvements have been completed.

Our goal is to revitalize the property and provide additional safe, clean, inviting housing in the community, a more aesthetically pleasing property, and improve the neighborhood overall.

Debra,

Currently PMPL has a service pole that is set on this property; it is approximately 100 feet from the property line on S. Nordic. This service pole provides power to the residences of Dean Roundtree at 1109 S. Nordic and Mike Schwartz at 1111 S. Nordic. A power line easement would need to be set in place for these residences. Also, if a road were to be built, depending on the location of the road and the depth of the excavation, the pole may need to be moved and set deeper into the ground. This cost would need to be paid for by the Lessee. If you have any questions, please let me know.

Thanks

Kevin

- B. Recommendation to the Borough Assembly regarding an application from Nordic Real Estate LLC to lease borough-owned property at 1107 S NORDIC DR (PID: 01-010-737).

Sarah Holmgrain with Nordic Real Estate LLC spoke, she and her husband Randy both own the LLC. They purchased the Narrows apartments in January of this year. Sarah explained how the building needs foundation work and the lot line is close to the property. For the contractor to be able to get back there sufficiently as well as future maintenance, they are asking to lease borough property to build in a driveway. Pictures were shown of the area, the property markers as well as a danger tree that is leaning towards the Narrows apartment building.

Mike Schwartz spoke on his own behalf he owns the property with the tiny house that is towards the back of the proposed leased lot. He has concerns that the whole 30-foot width is not needed for access. Taking 30 feet which is M Street, normal protocol for vacating a street is giving the property owner on either side an option to purchase half of the street. The Roundtree's have their walkway and structure on the south side. It would all need to be removed if she took the whole 30 feet. There is a drop-off at the back, it's about 9 feet straight down, taking 30 feet would be about 5 feet from the back of the house. A fence would be needed for safety.

Sarah Holmgrain with Nordic Real Estate LLC spoke to clarify that it is not a roadway it's a platted piece of land. She has already spoken to the Roundtree's regarding how far over the road would go and has no problem with them using the walkway while the property is leased but when it is time for the walkway to be replaced, she would ask that they rebuilt it on their own property.

Dean Roundtree spoke on behalf of himself, he owns the home just south of the property in question. The sidewalk and shed has been on the property since the 60's. and if it comes available to buy part of that property in the future he would be interested.

Motion made by Commissioner Floyd, Seconded by Commissioner Jensen.

Commissioner Floyd commented that he appreciates the efforts they are doing to improve the Narrows.

Commissioner Jensen concurred with Commissioner Floyd it's going to be a nice improvement.

Commission Chair Fry spoke regarding the danger tree on the property, and it will be good to have that taken care of.

Commissioner Sperl feels there is a good way to compromise with neighbors, he didn't hear anything that couldn't get worked through.

Director Cabrera commented regarding the proposed leased parcel, it is not a ROW, the ROW was vacated many years ago. This parcel is a remanent piece of that vacation.

Voting Yea: Commission Chair Fry, Commissioner Floyd, Commissioner Jensen, Commissioner Sperl

- C. Consideration of an application from Island Refrigeration for a minor subdivision at 110 and 107A DOCK ST (PID: 01-008-242 and 01-010-035).

Director Cabrera explained the subdivision, the extension of the access easement to so that each of the four lots will have access.

Motion made by Commissioner Floyd as amended, Seconded by Commissioner Jensen.
