

**Mayor's Report  
For  
June 2, 2025 Assembly Meeting**

- 1. SEAPA Annual Shutdown:** SEAPA will be shutting down the hydroelectric feed to Petersburg from June 10th – 18th to allow for numerous critical maintenance activities at Tyee Lake, Swan Lake and the SEAPA Intertie transmission line. Petersburg Municipal Power & Light is asking the community to conserve electricity to minimize the loads, enabling us to keep our added costs down when operating diesels. **Customers are encouraged to conserve power which helps us burn less diesel and creates a lighter load for our generators.**
- 2. Mayor Jensen Fishing Season:** Mayor Jensen will be out on the fishing grounds for the rest of the summer Assembly meetings. When possible, he will attend meetings via Zoom or in person. Vice Mayor Marsh will conduct the Assembly meetings in Mayor Jensen's absence.
