Dear Liz and Planning Commission Members,

I am writing to offer my wholehearted support for the conditional use permit being requested by St. Catherine of Seina Catholic Church, at 306 N 3<sup>rd</sup> Street. Granting the request to return the Church property to a functioning building that replicates the past structure will make our community whole again. Over the years the Catholic Church had fit into the neighborhood perfectly and the return to the past size of the Church is what is needed to serve the local congregation. Anything less than a return to the former size would be an unfair result of a tragic fire. The Catholic Church has met at this site and strengthened our community for my entire life. It is inconceivable to me that we will not be blessed by a new, safer, more modern church to fill our needs long into the future.

I ask you to please, support this request and help the Catholic Church start the building of the beautiful new St. Cathrine's Church that Petersburg needs so much.

Thank you,

Dave Ohmer
