Subject: Request for Stop Sign — Surf St @ Odin

Dear Public Safety Advisory Board:

I would like to request a stop sign on Surf Street at Odin. Without a stop sign there cars do tend to rip around that corner coming off of Nordic Drive. It makes it nery walking Odin Street with my little guy. Once a car tore around the corner and almost hit us while we were driving in a big truck, so I worry about kids & dogs who are low to the ground and harder to see.

If you don't mind forwarding to the PSAB for discussion. Thank you for your consideration.

Sincerely,

Sarah Fine-Walsh
501 Odin Street
