**COMMISSION MOTION: Recommend to the Borough Assembly that Lots 2, 3, 5, 5A, and 6, Skylark II Subdivision, be approved for sale, and that Government Lot 21, Section 33, T58S, R79E be approved for sale on the condition it is rezoned from Open Space – Recreation to Single-Family Mobile Home.**

**Motion Passes, 4 yea, 0 nay**

---

I. APPLICANT REQUEST: The applicant has requested to purchase 6 borough-owned parcels for replat/subdivision for residential development.

II. APPLICABLE CODE:

16.12 ACQUISITION OR DISPOSAL OF BOROUGH PROPERTY

III. FINDINGS:

- a. Skylark Park LLC applied to purchase borough property on the condition the property is rezoned to Single Family Mobile Home.
- b. The subject property is composed of 6 parcels of borough-owned vacant land.
- c. Five lots are zoned Single-Family Residential (SF) and range in size from 14,000-20,000 sf. One parcel is five-acres and zoned Open-Space Recreation (OSR).
- d. The immediate surrounding area is undeveloped but there are two well established neighborhoods surrounding the parcels. The applicant recently submitted a request to rezone an adjacent lot from Public Use to SFMH. The commission recommended the Assembly approve the request.
- e. The applicant's intent is to pursue purchase of the parcels to develop a 10+ acre major subdivision with roads and utilities. The parcels would be subdivided into 75'x100' lots and sold. The applicant

# Planning Commission Report & Finding of Fact

Commission Meeting Date: October 10, 2023

would also work with property owners who may wish to purchase a manufactured home for their lot.

- f. Per code, "Mobile home" means a manufactured coach, mobile home, trailer, house, car or other vehicle or structure designed, intended or capable of human dwelling or sleeping purposes, mounted upon wheels or supports which is capable of being moved by its owner or transported by another vehicle, and containing water supply, waste disposal and electrical conveniences.
- g. "Manufactured homes", while not defined in municipal code, is generally defined as a transportable, factory-built dwelling unit constructed after June 15, 1976, in conformance with the federal Manufactured Home Construction and Safety Standards, as evidenced by an affixed certification label in accordance with 24 CFR 3280.11.
- h. The application was reviewed by relevant borough departments and determined there was no public purpose need for the subject property.

## IV. PUBLIC NOTICE

The borough provided public notice of the hearing. Notice was mailed by first class mail to the owner of record of the property within six hundred feet of the exterior boundary of the property that is the subject of the application.

## V. APPLICATION REVIEW

a. The application is classified as a request to purchase borough property.

b. Criteria –

Per 16.12.050, no borough property in Service Area 1 may be disposed of unless it has been zoned by the borough. As noted in Section III, Findings, the subject property is zoned.

Per 16.12.080 (A), the Planning Commission may require an applicant to state the nature, extent, size and general specifications of improvements the applicant intends to construct upon the real property and the time when the improvements will be completed.

VI. ACTION. Based on the preceding findings of fact, the Petersburg Planning Commission makes the following report to the Borough Assembly:

1. The commission's recommendation to rezone is based on the development plans provided by the applicant to develop a major subdivision, install improvements, and sell lots. The applicant is also offering to assist property owners with purchase and installation of new manufactured homes on individual lots.
2. The borough has a very broad definition of "mobile homes" that could be legally placed within this proposed development. The borough should work with the developer to include language in the deed of sale and/or record a covenant for the subdivision that limits the type of dwellings to one- or two-family dwellings, manufactured homes as defined above, and limits the age of manufactured home that may be placed in the subdivision.

Ambre Burrell spoke on her own behalf explaining that platting and road plans will happen but not until the rezoning has passed. Until they get in there with a machine it's hard to tell where exactly the road will be. The purpose of this rezone is to provide affordable housing for families not to have another trailer park.

Sig Burrell spoke on his own behalf explaining in more depth where the road would go. Spoke his concerns of zoning and said he would like to see a manufactured home zoning added to the code. The intent of this rezone is to provide good, affordable housing for younger people to be able to move into.

Motion made by Commissioner Davis to amend the proposal to recommend to the Borough Assembly that lot 3 of Skylark II Subdivision and GL 21 Section 33, T58S, R79E will be rezoned to Single-Family Mobile Home along with the findings and as presented. Seconded by Commissioner Meeks

**Subject:** Zoning Changes to Proposed Borough property purchase

Good Afternoon Debbie,

I would like to add some clarification to the Borough property we are proposing to purchase.

I would like to have the following lot remain Single Family residential:

01-010-752

I would like to rezone the following lots to Single Family Manufactured Home due to the fact that we may need to subdivide out parts of these lots when we put in a road:

01-010-764

01-010-247

01-010-245

01-010-766

I would like to rezone parcel 01-010-430 To Single Family Manufactured home as it is our intention to subdivide out into lots approximately 75' x 100' lots put in roads and utilities and offer affordable housing options to residents of Petersburg.

If you have any further questions please let me know.

Thank you,

Ambre Burrell  
Rock-N-Road Construction, Inc  
P. 907.772.3308  
F. 907.772.2268

**□** - These lots will all remain the same size, less what may be necessary to put in the road.

**?** - One of these two lots will be where the road goes into GL 14

**75x100** - this lot will be subdivided into two roads containing 75x100 lots. Done in phases.

Debbie,

Water, Wastewater and Power & Light have no need for the parcels being requested. I do have questions about the applicant's plan to extend the road and utilities and want to be sure that this is done per our standards so the improvements may be accepted by the Borough when complete, but overall I appreciate what they are trying to do with this plan and land purchase application.

Hi Liz, Karl & Chris,

Please see the attached land purchase application from Ambre Burrell. She did not complete Section 10 of the application, so I am sending this to you for your review and determination of whether your department(s) need any of the parcels noted for a public purpose. Debbie,

Public Works has no need for the parcels being requested. Along with Director Hagerman, we would like to see more details of the road and utility extensions and whether the intent is to construct these to Borough specifications. I also feel that this development would ultimately be a good thing for the Borough's housing situation. In addition we would obtain revenue from sale of the property and then tax and potential utilities revenues moving forward as development progresses.

One item of note: the application states that no local, state or federal permits are required for the proposed use. While this might be true for the sale of the property, there would almost certainly be permitting required from the Corps of Engineers for placing fill in the wetlands; and possibly some ADF&G permitting prior to development if the creek basin located within GL14 and GL21 has any fish runs.

Thanks,

Chris
