Subject: ARPA Funds Request - Year-Round Bathroom & MiniBus Service

Dear Assembly & Borough Admin:

I would like to make a request for an ARPA funds expenditure: the installation of at least one year-round bathroom at one of our public parks. A community member requested this be discussed at our Parks & Recreation Advisory Board Meeting last night. The need for a year-round bathroom facility became very popular during the pandemic due to the increase of year-round outdoor socializing. This idea was received very well by our Advisory Board & P&R Admin. But, we all acknowledged that a bathroom which can be winterized would require a big chunk of funding in order to properly install. I think our recent increase in ARPA funding gives us a great opportunity to install at least one winterized bathroom. Thank you for your consideration!

Best,
SFW
