

Re: Letter of Intent – Borough Assembly Vacancy

Petersburg Borough Assembly,

I am writing to express my interest in filling the vacant seat on the Petersburg Borough Assembly. As someone who recently ran for this position, I remain committed to serving our community and believe I can bring a valuable and grounded perspective to the table.

I currently serve as Commander of American Legion Post 14, proudly representing our local veterans, who deserve to have a voice in our borough's leadership. I also have strong ties to many areas of life in Petersburg: my son is a commercial fisherman, my wife and I both work at the hospital, and our youngest son graduated from Petersburg High School. Through these connections, I understand the importance of healthcare, education, working families, and our local economy.

As a homeowner and someone who fishes, hunts, shrimp, and crabs locally, I also recognize the value of our natural resources and the need to manage them responsibly.

I would be honored to serve our borough and respectfully ask for your consideration.

Sincerely,
Tony Vinson
