Subject: Stand Down

Dear Mayor and Assembly,

Thanks for your special meeting to terminate the state of emergency and stand down the EOC. I had confidence in your intentions and you have not proved me wrong. Things are looking good! Let's move on. I also feel that the IC and EOC did the job they needed to do - nothing more, nothing less. It was stressful and thankless. I would like to thank them all now. Have a good summer! -Bob Martin.
