Mayor Mark Jensen

Dear Mayor Jensen,

My name is Frances Leach and I am the Executive Director of the United Fishermen of Alaska (UFA) in Juneau. I am writing to inquire if the City and Borough of Petersburg might be interested in joining UFA as a community supporting member. UFA is the largest statewide commercial fishing trade association, representing 37 commercial fishing organizations from fisheries throughout the state and its offshore waters. Our mission is to promote and protect the common interests of Alaska's commercial fishing industry as a vital component of Alaska's social and economic well-being. UFA's strength is a direct function of the breadth of our member groups that comprise our Board of Directors. We would welcome community supporting members such as the City and Borough of Petersburg that are not currently UFA members to join and support the economic benefits provided the State and local businesses by the commercial fishing industry.

Supporting community membership costs \$300 a year. Community supporting members have the communities web link included on UFA site (pasted below). You can see the list of communities and businesses that are members of UFA right now represent a broad spectrum of the fishing community. Each supporting community member also receives a membership certificate and UFA decals that can be displayed in public places to demonstrate your support of the commercial fishing industry. We know from experience that such support is much appreciated by our hundreds of permit holders and crew who live throughout the State.

I very much appreciate your time and consideration. If you'd like to discuss this letter further I would be happy to do so at your convenience. My number is 586-2820.
