Re: PCAA Registration Fees Increase

Action Requested: Approval needed

Pineville Community Athletics Association wants to increase their registrations fees. There haven't been any changes to the fees in since 2017. CJ Norman, PCAA President, presented information to Mayor and Council at the April Council Meeting which contained comparisons to other leagues in the area. PCAA would like to implement the increase for the Spring 2023 season. There will still be a 25% discount for Pineville Residents.
