

Memorandum

To: Mayor and Town Council

From: Ryan Spitzer

Date: 9/4/2020

Re: Opening of Belle Johnston

Overview:

With the Governor having implemented Phase 2.5 on Friday, September 4, 2020 relaxing indoor group limits to 25, opening playgrounds, opening fitness facilities to 30%, and allowing more sporting options Parks and Recreation believes they can open to certain activities safely. Attached are a list of activities that we believe are safe to start back up. We are anticipating opening up all programs in a phased fashion as we feel we can safely monitor participants and keep facilities clean.

Attachments:

Proposed list of activities to begin

Recommendation:

Open up facilities on a limited basis
