Calls for Service

The graphs below display the number of calls for service in comparison to previous months and the previous 2 years. The first graph is citizen-generated calls. The second graph is officer-generated calls.

Citizen-Generated Calls for Service

Officer-Generated Calls for Service

*zone checks and foot patrols removed

Problem Locations

The following problem locations have been identified using 12 months of calls for service and crime data, showing a consistent crime problem. Each month, these locations are evaluated based off the crime and disorder the assignee was tasked to handle. Problem locations are evaluated until deemed successful.

1. Sabal Point Apartments

% Change: **106.67%**

% Change: **-18.52%**

* top chart: data pulled from RMS by locations containing "sabal"; offense code equal to 220, 240, or 23F; unfounded removed
 *bottom chart: data pulled from RMS by locations containing "sabal"; offense description containing "domestic"; unfounded removed

Problem Area

The problem area is Carolina Place Mall. It was identified using 12 months of calls for service and crime data, showing a consistent crime problem. Each month, the evaluation is based off the crime and disorder the assignee was tasked to handle. Since a problem area has more crime and disorder than a problem location, the evaluation is broken down into several charts.
