FROM: Don Mitchell, Electric System Manager
DATE: November 3, 2020
SUBJECT: Material Bid Recommendation Polk Substation Materials

Overview:

Southeastern Consulting Engineers received formal bids on October 28, 2020 for materials to renovate and improve the Polk Substation. Funds are available in the FY20-21 budget for these materials. Attached you will find bid tabulations and recommendations from Southeastern. We concur with their recommendations that material schedules be awarded as follows:

Bid Schedule	Material	Award Bid to Company	Bid Amount
Schedule I	115 KV Circuit Switcher	S&C	\$46,142.00
Schedule II	Equipment House	VFP, Inc	\$90,129.00
Schedule III	Relay and Control Panel	Birmingham Control Systems	\$35,484.00
Schedule IV	Cable Trench	Concast	\$10,333.00
Total			\$182,088.00
