WHEREAS, North Carolina General Statutes §160A-20, as amended, requires that the Town Council must hold a public hearing concerning the installment financing contract and the transactions contemplated thereby and associated therewith, with notice of said public hearing to be published once at least 10 days before the date of the public hearing;

NOW, THEREFORE, BE IT RESOLVED by the Town Council, as follows:

Section 2. As required by §160A-20 of the North Carolina General Statutes, as amended, a public hearing shall be held by the Town Council on December 8, 2020 at [6:30] p.m., or as soon thereafter as practicable, in the Hut Meeting Facility in Pineville, North Carolina, concerning the proposed execution of the installment financing contract and related documents, the proposed financing of the Projects and any other transactions associated therewith. The Town Clerk is directed to cause a notice of such public hearing, substantially in the form attached hereto as Exhibit A, to be published once in a qualified newspaper of general circulation within the Town not less than 10 days prior to said public hearing.

Section 3. The appropriate officers of the Town are hereby authorized and directed to do any and all things necessary, appropriate or convenient to effectuate the foregoing and the proposed plan of financing, including, without limitation, filing an application with the North Carolina Local Government Commission seeking approval of the plan of financing or any component thereof, the publication of any required notices related thereto, consideration and

negotiation of the terms of the proposed plan of financing or any component thereof and the relevant legal documentation and the discretionary exercise of any interest rate locking agreement(s) offered by a third party proposing to provide financing for all or any portion of the plan of finance.
