**Re:** Interlocal Agreement between Pineville and Mecklenburg County

---

The Town of Pineville is receiving \$121,400 from Mecklenburg County to help with COVID-19 expenses. In order to receive the money the Town has to sign an Interlocal Agreement and do a budget amendment to receive the funds.

The Interlocal Agreement states if the Town does not expend its allotment of money prior to October 30, 2020 Mecklenburg County can take the money back. The agreement also specifies reporting requirements.

After the agreement is signed Mecklenburg County will deposit the money in to the Town's account.

**Recommendation:**

Approve the Interlocal Agreement
