Re: **Stumpf Text Amendment for Accessory Dwelling Units** (*Informational Item*)

UPDATED PLANNING BOARD RECOMMENDATION:

Planning Board had the opportunity to review legal opinion letter and discuss with Town Attorney at the 2/20/2025 Planning Board Meeting. The Planning Board recommended the same amendment as before with two additions 1) clarification that an accessory dwelling can be built right away but before both primary and secondary could be rented the owner had to live on the property for 24 consecutive months and 2) The owner has to sign an affidavit stating they will live on the property for 24 consecutive months before both units were rented.

Accessory Dwelling Unit name change text amendment was recommended and the revision of the owner occupant definition and section (F) restriction of the below ordinance to:

The property owner(s) shall occupy at least one (1) of the dwelling units on the premises, unless the property owner has resided on the property for a period of not less than twenty-four (24) consecutive months, prior to having both units occupied by non-owners AND (G) Any applicant for an accessory dwelling unit, shall submit an affidavit form swearing/affirming that they reside at the residence at the time of their zoning application, zoning review and approval by the Zoning Department

REQUEST:

Michael Stumpf requests your consideration for a text amendment to revise the Zoning Ordinance owner occupied restrictions for secondary dwelling units (otherwise called mother-in-law suites or accessory dwelling units)

STAFF COMMENT:

After reviewing Town legal opinion, current and pending (HB409) state law, League of Municipalities advice, and existing legal case precedent; I recommend removing ownership related restrictions from Town Zoning. North Carolina case law seems to be adamant that ownership should not be a criteria for zoning. Who resides in a residence and how long is hard to verify as well. I recommend other clear and more legally upheld enforcement options.

I would encourage the negatives from rentals be addressed not through ownership but through those that are within the Town's ability to enforce with current, or more strict revisions to current ordinances such as: police nuisance enforcement, zoning trash/debris, parking on the lawn, high grass, street parking, or similar. We can review these ordinances at any time. Recommendations are welcomed.
