Parks and Recreation Department Update

September

2026

September was another exciting month for Pineville Parks and Recreation!

Music on Main kicked off the month with four acoustic acts serenading the crowd in front of Town Hall. Patrons enjoyed great music, a different food truck each week, and fun weekly giveaways. It was a wonderful way to spend September evenings in Pineville!

Our Youth Soccer and Girls Youth Volleyball programs are in full swing, with practices throughout the week and games on Saturdays. It has been exciting to watch the children grow, develop their skills, and build confidence in such a short period of time.

The Pineville 4 Miler took place on Saturday, September 19. Participants enjoyed music, a beautiful run along the greenway, and perfect running weather. Thank you to all of our runners, volunteers, sponsors, and staff who helped make this year's race a success!

We were also excited to officially open our new outdoor pickleball courts at Jack Hughes Park! The colorful new courts have already been a hit, with multiple reservations and plenty of patrons enjoying the new facility.

September also included a wonderful Bingo Night, Senior Game Day, our Fall Yard Sale, and a senior field trip to Jeter Farm. With athletics, special events, senior activities, and new recreational opportunities, it was another busy and enjoyable month for Pineville Parks and Recreation!
