

Southeastern Consulting Engineers, Inc.

May 29, 2026

Ms. Tammy Vachon
Utility Director
Town of Pineville
P.O. Box 249
Pineville, North Carolina 28134

Ref.: Per Unit Electric and Communication Crews Bid

Dear Tammy:

The Town received sealed proposals on May 26, 2026, from four contractors to supply crews for electric and communication underground construction for FY27. The four bids were reviewed for compliance with the specifications and relevant project experience. A bid tabulation is attached.

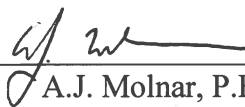

The low bid was submitted by Huss Boring, LLC from Shelby, NC in the amount of \$2,361,711.35. Please note that this bid was based on an estimated number of units that could be required by the Town in the forthcoming year, which was necessary to fairly evaluate the unit pricing. The Town is under no obligation to direct Huss to build this quantity. Huss will bill the quantities requested and approved by the Town.

We recommend that the Town accept Huss Boring's proposal and proceed with executing the contract documents.

Please let us know if you have any questions or need any additional information.

Very truly yours,

SOUTHEASTERN CONSULTING ENGINEERS, INC.
