Re: BOA Application

It was recently brought to my attention that the Town's Board of Adjustment requires five (5) board members; we currently have three (3) members and one (1) alternate.

Mr. Calvin Hallman, Jr, sent us his Application to be on the BOA board. His application requires your approval.

In addition, Mr. Thomas White gave his consent to move from being an alternate for this board, to becoming a regular board member. If you approve Mr. Hallman's application, we will then have the required five (5) board members. Please note that two alternates are needed.

Action Requested: Vote on Calvin Hallman, Jr.'s BOA application.
