Re: Cares Act Funding

Overview:

The Town received approximately \$121,000 from Mecklenburg County for COVID-19 expenses. The County put a date of October 31, 2020 that funds had to be expended or they could ask for them back. To date the Town has spent \$78,137.35.

I would like to have a discussion with Council on how to spend the remainder of the money. Priorities and suggestions from Council will be discussed.
