Problem Locations

The following problem locations have been identified using 12 months of calls for service and crime data, showing a consistent crime problem. Each month, these locations are evaluated based off the crime and disorder the assignee was tasked to handle. Problem locations are evaluated until deemed successful.

UNDER ANALYSIS AND REVIEW

Problem Area

The problem area is Carolina Place Mall. It was identified using 12 months of calls for service and crime data, showing a consistent crime problem. Each month, the evaluation is based off the crime and disorder the assignee was tasked to handle. Since a problem area has more crime and disorder than a problem location, the evaluation is broken down into several charts.
