

TOWN COUNCIL AGENDA ITEM

MEETING DATE: May 12, 2026

Agenda Title/Category:	Downtown Lighting on Buildings		
Staff Contact/Presenter:	Ryan Spitzer		
Meets Strategic Initiative or Approved Plan:	Yes	No x	If yes, list:
Background:	The Town gave downtown businesses money to install lights on the roofs of the buildings several years ago. The business owners have not kept the lights working and in good shape. If Town Council wants to keep these lights on the roofs, staff recommends installing meters and assuming control of the lights and their maintenance.		
Discussion:	Does Town Council want to assume control of the lights on downtown business roofs to enhance the aesthetics of our downtown area.		
Fiscal impact:	\$5,200 – to install three meters \$1,000 – yearly upkeep
