

MEETING DATE: August 24, 2026

Agenda Title/Category:	Pedestrian Hybrid Beacon			
Staff Contact/Presenter:	Ryan Spitzer			
Meets Strategic Initiative or Approved Plan:	Yes	No	If yes, list:	
Background:	Staff will present the pros of cons of three options to construct the PHB since learning of the receipt of State and Federal Funds. The three scenarios are: 1. Construct the PHB as a Locally Administered Project (LAP) 2. Let NCDOT construct the PHB 3. Do not accept the money and construct using town funds			
Discussion:	Scenario 1 and 2 will lengthen the time to complete construction but will save the town \$500,000. Scenario 1 has a shorter timeframe than Scenario 2.			
Fiscal impact:	Cost: \$500,000
