

Summer continues to be an exciting and busy time for Pineville Parks & Recreation! The halls of the Belle Johnston Community Center have been filled with the energy and excitement of our Summer Camp kids. Campers have enjoyed some fantastic field trips, including visits to Zootastic, Reed's Gold Mind, laser tag, Spare Time bowling, and the Aviation Museum.

Our Summer Camp Talent Show was a huge hit! Campers showed off their talents with dancing, singing, magic acts, and much more. Crafts, games, activities, and plenty fun continues to fill each day and make this a memorable summer for our campers.

Rock'n & Reel'n welcomed 20 Ride, a Zak Brown Band tribute band, for a beautiful summer evening of live music at Lake Park. Our July movie featured the classic Angels in the Outfield. Due to rainy weather, we moved the movie indoors to the Belle Johnston gymnasium, where guests enjoyed popcorn and a great family family in a comfortable, dry setting.

Behind the scenes, our Maintenance Team continues to do an outstanding job throughout the summer. Despite the heat and challenging summer weather, the team works hard each day maintaining our parks, athletic fields, greenway, and facilities to keep them looking their best for our residents and guests.
