Re: Pierce Enforcer Pumper

Overview:

The Fire Department is looking to replace one of their Engines with a new one. The build time is 22 months from the time proposal is signed. If the Town agrees to sign the proposal before April, 1st, 2022 there will not be a 7% increase in price. Also, the Town plans on using ARPA funds and will prepay on July 15th, 2022 to save about \$27,000.

Cost of Pumper: \$740,158

Equipment Cost: \$92,842

Equipment: \$61,493

Hose: \$17,539

Radio: \$6,000

Contingency: \$8,000

Total: \$833,000
