Re: **Public Hearing for the Sale of Cone Mill Property**

Overview:

Town Council directed staff to begin working with a buyer on a Purchase and Sale Agreement (PSA) for the Cone Mill property that will redevelop the property for a mix of commercial and townhome uses. Staff have completed a draft PSA with the buyer for the Council's approval. The terms of the PSA are outlined below.

Typically, when the Town holds a Public Hearing for a third-party developer looking to develop on a private property in town the following are required by the town at the time of the Public Hearing: site plan, landscape plan, elevations, parking count, unit count, and a traffic study.

Time Periods

Purchase Price: \$5,000,000 due at Closing

Effective Date: Signing of the PSA

Brownfields Period: 270 days (9 months) after Effective Date with the option of 3, sixty-day extension (6 months).

Examination Period: Initial period of 90 days (3 months) with two 30-day extension (2 months) after the Effective Date

Permitting Period: 90 days (3 months) after the Examination Period

Closing Date: The earlier of 30 days after the receipt of all required permits or 30 months after the Effective Date. The Closing Date gets extended on a day for day basis if the Brownfields period extends past the initial 270 days.

Section 33 – Brownfields

A new Brownfields Agreement has to be applied for due to the addition of townhomes. The buyer is paying for the application and additional work and will also pay for up to portion of the town's attorney fees. The town will remain the applicant in case the buyer does not complete the project to make transfer of the information easier. If the town defaults and causes the buyer to terminate the project the town has to pay the buyer up to \$100,000 for work completed under the Brownfield Agreement. A new brownfields agreement will take between 9-15 months. If the

buyer does not obtain the Brownfield Agreement prior to the end of 15 months, the town can terminate the PSA.

Section 6 – Examination of Property (Examination Period)

1. The Buyer can terminate the agreement for any reason during this time with a penalty.
2. Buyer and Town must agree to a Public-Private Joint Development Agreement that outline the public improvements that will be made to the property and the dedication of property to the Town.
3. If not already done the Buyer must schedule a Public Hearing within this period and get approval from Town Council for the project.

Section 28 – Permitting Period

The Buyer must use commercially responsible efforts to get approvals on the site plan, utility, transportation, zoning, and permitting.
