**Re:** Town Entry Sign (*Informational Item*)

## UPDATE:

We reached out to Signarama located within the Town because they are one of the few who can help coordinate construction of the brick and sign portions. (See bottom page graphic).

## REQUEST:

Consideration and recommendation for new Welcome to Pineville sign on North Polk Street.

## STAFF COMMENT:

See below initial concepts. Option A is the preferred, based off prior discussion and council direction with the center pine tree graphic. I would recommend the panel be the Pineville green, more decorative brick detail, and column tops. We are looking at illumination as well, such as backlit letters or gooseneck down lighting.

## NEXT STEPS:

Input and suggestions welcomed. Then moving to and updated sign graphic and construction quote.
