

Summer Youth Recreation Programs 2026

This is a list of programs that we are offering this summer. This is a guide of when things are and where they are located. This has not been given out to the public as we are still working on finalizing some dates and times. Programs registration times will start Monday April 6th for some of the programs and others will follow throughout the month.

Thank you to United Way for supporting the Youth Programs in Pipestone!
