

Agenda Item Cover Sheet

Agenda Title:

- Resolution Number 25-19 A Resolution of the City of Pleasant Hill, Missouri Adopting the Multi-Jurisdictional Hazard Mitigation Plan for Cass, Clay, Jackson, Platte, and Ray Counties in Missouri

Department/Contact Person:

- Chief Tommy Wright

Background Information:

- Every five years, the Mid America Regional Council (MARC) undergoes a process of updating and revising the regional hazard mitigation plan. Part of this process invites local jurisdictions to identify a few of the larger hazards facing their communities, as well as a few ongoing mitigation actions that jurisdictions can focus on in the future.
- Following the completion of these updates, MARC requests adoption of the updated plan by all jurisdictions within the region before submitting it to FEMA for final approval.

Financial Information:

- None

Staff Recommendation:

- Recommend approval
