**RE: APPROVAL OF STORMWATER ASSISTANCE GRANT APPLICATION**

Dear Stormwater Program Coordinator,

The Bureau of NJPDES Stormwater Permitting and Water Quality Management has received your application for the Stormwater Assistance Grant. This letter serves as confirmation that your grant application has been **APPROVED**. By accepting the funding provided by this grant, **Pennington Borough** is agreeing to use the funding from this grant provided by the Department to comply with the requirements of the Tier A MS4 Permit as outlined in the Notice of Funding Availability

Please note, all approved applications are sent for processing on the last Friday of every month, with a turnaround time from processing to payment of one to two weeks. Please be sure to alert the municipality's fiscal staff to expect payment dispersal during that time frame. The payment will be titled "**Water Resources Planning Management – Stormwater Assistance Grant.**" Note that the second portion of the grant payment will be dispersed upon the Department's receipt and approval of the required Tier A permit deliverables as detailed within the "Required Elements" section of Department's Notice of Funding Availability.

Any funding received by a grantee that is not committed to payment of eligible project costs must be returned to the Department. Furthermore, any costs that are not allowed by the Department must also be returned. The determination of eligible project costs is at the sole discretion of the Department.

Additional information about the program guidelines can be found on the Department's Stormwater Grants webpage, including the Notice of Funding Availability and recordings of our previous outreach sessions: <https://nj.gov/dep/wlm/grants/swgrant.html>

If you have any questions, please feel free to contact your County Case Manager at [Louisa.Lubiak@dep.nj.gov](mailto:Louisa.Lubiak@dep.nj.gov).

Sincerely,

Gabriel Mahon, Bureau Chief
