Re: Monthly Report – November

Summary

I met with Mr. Mortimer (Mortimer's Road House) regarding his deck plans and have spoken to his architect as well. Things are progressing on the design and construction will take place in the spring. We are wrapping up the final draft for the new building code. Hoping to have this ready for the village board in December. The number of permits, inspections and code enforcement equaled 92. This number decreased from 179 last month to 92 this month.

Below are the statistics for the month of November.
