Village of poplar grove
200 N Hill street
Poplar Grove, IL 61065

Request:- Subject: water Bill 537 Prairie Point Dr.

Dear Trustee,

With due respect it is stated that I Muhammad Jaujua, has been subjected to this pending water bill on property 537 Prairie Point Dr. in village of poplar grove, IL. I have written previous emails to Katie (pending water bill) which was never used by me rather used by this squatter John Braun who breaked to get into the property without awareness of village administration. I have requested the previous president Don Costanza three times & during my last conversation he said; I will try and discuss with the board and we will help you. I have tried coming to the board meetings twice but by the time I got here, the meeting was over. I am a surgeon and work on trauma calls all the time. I understand this is pending on my property but I did not take the possession of the property during the time period of pending bill amount of $440.53. This is a huge penalty to me and I earnestly request to look into this matter and give me minimum that I can easily pay considering this was not used by me and I have already sustained tremendous loss on my property with the damages incurred by John Braun.

Thanks so much.

Sincerely,
Muhammed B. Jaujua, (537 Prairie Point Dr)
