Article 1: General Information

1.1 Purpose of Personnel Handbook

The Village of Poplar Grove ("Village") Personnel handbook ("handbook") contains the general operating practices and procedures pertaining to employment with the Village. While this handbook is not all inclusive, its purpose is to provide guidelines for supervisory personnel and staff relating to employment matters. This Personnel Handbook would be too voluminous if it attempted to list all applicable state and federal personnel related laws and policies. Employees are required to adhere to all local, state and federal laws regarding personnel that are not specifically mentioned in this Personnel Handbook. All provisions within the handbook are subject to change at any time, with approval of the Village Board, without prior notice. The Village retains all rights to manage and direct the affairs of the Village and its employees as deemed necessary in order to accomplish the Village objectives in an economical and efficient manner.

This handbook applies to all full-time, part-time, seasonal, interns, contractual and/or other employees of the Village.

Nothing in the Village's Personnel Handbook is intended to, or shall, create any contractual obligations of any kind. No policy, benefit, procedure or information set forth in the manual implies or may be construed to imply that it or any portion thereof is an employment contract. Employment with the Village is at-will and may be terminated by the Village with or without cause and with or without notice at any time, at the sole and absolute discretion of the Village. The Village of Poplar Grove is an equal employment opportunity employer.

To the extent that a collective bargaining agreement with any group of employees of the Village is more or less restrictive than the provisions of this personnel handbook, the provisions of such collective bargaining agreement shall control.

No representative, employee or agent has the authority to make any agreement contrary to the provisions of this document, except the Village Board, and then, only in writing. Final approval of this handbook and any subsequent amendments will be determined by the Village Board. The Village President or designee is responsible for administering and interpreting the personnel practices of the Village.

1.2 Open Door

The Village of Poplar Grove promotes an atmosphere whereby employees can speak freely with members of management staff without fear of retribution. An employee is encouraged to discuss any issues or problems openly with a supervisor to ensure that appropriate action may be taken.

1.3 Definitions

Exempt Employee: is an employee who does not receive overtime compensation for hours worked in excess of forty (40) hours per week. An employee in this category is paid, at fixed and regular intervals, on the basis of an annual salary. In accordance with the Federal and State Wage and Hour Laws, exempt employees include managerial,

professional and certain administrative employees as defined in the ***Fair Labor Standards Act (FLSA)***. Exempt employees may enjoy a flexible work schedule within the needs of the Department Supervisor's guidelines and with the approval of the Village President or designee. However, exempt employees are expected to work whatever additional time is needed to complete their work.

Non-Exempt Employee is an employee who has successfully completed the probationary period, and to whom the Village is required to pay overtime at the rate of time and one-half the employee's regular rate of pay for all hours in a workweek in excess of forty (40) hours in accordance with the applicable Federal and State Wage Hour Laws.

Full-Time Employee is any department employee who has successfully completed the probationary period, and who regardless of designation in his or her employing department, is regularly scheduled to work forty (40) hour work week.

Permanent Part-Time Employee is an employee, who has successfully completed the probationary period, is assigned to a position that is regular in nature and works a shift schedule less than 1,000 hours per year.

Seasonal Part-Time Employee is an employee, who has successfully completed the probationary period, other than permanent part-time employee, who is regularly scheduled to work less than thirty-five (35) hours per week and less than 1,000 hours per year.

Article 2: General Employment Conditions

2.1 Driver's License Obligation

Any employee whose job includes operating a Village vehicle must maintain an appropriate Driver's License and must inform his/her supervisor in the event of loss of said license, receipt of a moving violation or restriction of said license. The Village reserves the right to take appropriate action in the event the employee becomes, in the opinion of the Village, no longer qualified to operate a Village vehicle. All employees must sign an appropriate acknowledgment form authorizing the Village to obtain a certified copy of a drivers abstract upon request.

2.2 Probationary Period

The probationary period is utilized to observe an employee's work, to evaluate the employee's skills, to train the employee and/or terminate an employee whose work performance fails to meet required work standards. Generally, an employee's probationary period lasts for a period of 90 days unless otherwise specified in a collective bargaining agreement, or as adjusted by the Village President.

Probationary periods may be extended or reduced at the discretion of the supervisor and the approval of the Village President.

2.3 Nepotism - Employment of Relatives

The Village does not allow the hiring or promotion of any employee which creates a situation whereby an employee would be supervised by, or under the immediate supervision of a relative.

For purposes of this section, members of the immediate family, with the exception of those hired prior to the approval of this document, may include: spouse, mother, father, sister (step, half), brother (step, half), children (birth, step, adopted), mother-in-law, father-in-law, daughter-in-law, son-in-law, grandparents, spouse's grandparents, grandchildren and any relative currently living with the employee. However, members of the same immediate family are not precluded from applying for positions within the Village.

2.4 Civil Litigation

Any employee of the Village who receives a summons, notice or complaint alleging a claim or cause of action arising as a result of the performance of his/her official duties as an employee of the Village shall immediately notify and furnish to his/her department head a copy of said summons, notice or complaint.

Following discussions with the Village President, the summons and complaint shall thereafter be forwarded to the Village's liability insurance carrier. The Village's insurance carrier shall make a determination if it will undertake the defense of the employee and provide coverage for any damages resulting from the claim or cause of action under the terms of the Village's policy. Should the alleged claim not result in a circumstance included in the Village's coverage, then the Village President shall determine whether the claim or cause of action did, in fact, arise as the result of legitimate and reasonable performance of work related duties.

2.5 Personnel Files

The Village complies with the provisions set forth in the Personnel Record Review Act 820ILCS 40/1 et.seq. Village Clerk is responsible for establishing and maintaining the official personnel files of the Village. Employees may inspect and copy their own personnel files, but may not remove documents. Personnel file inspections must be requested in advance and will be scheduled at a mutually convenient time as deemed appropriate. The Village reserves the right to be present at the time an employee reviews his/her personnel file.

Only supervisory and management employees who have a legitimate employment-related reason may review another employee's personnel file. Employees reviewing any personnel file should consider the material to be confidential. All inspections of personnel files must be approved by the Village President.

2.6 Personal Information

It is the employee's responsibility to notify the Payroll Department in a timely manner of any changes in personal information such as: name, mailing address, emergency contact and telephone number. In addition, for the purpose of health insurance administration, an employee's dependents and other related information must be kept current.

2.7 Performance Evaluations

Annual Reviews: All employees will be evaluated at least annually by his/her immediate supervisor. The primary purpose of the employee performance evaluation is to foster communication between the employee and his/her supervisor. Evaluations may also be used in determining demotions, discharges and/or eligibility for promotions and/or merit pay.

Probationary Review: The Village requires all new employees to undergo evaluations. Evaluations are conducted to ensure that new employees are learning, and also meeting objectives and expectations in a timely manner. An employee who has completed his/her probationary period will be evaluated annually.

2.8 Employment Separation

Termination of employment as a result of resignation, retirement, expiration of employment contract, reduction in workforce or discharge requires completion of a separation process. This process provides the eligible employee and/or deceased designee with important information regarding health insurance and reimbursement of retirement contributions.

The employee's final paycheck will not be released to the employee until all Village equipment (vehicle keys, employee identification cards, safety equipment, records, etc.) has been returned to or accounted for by the affected department.

2.9 Exit Interviews

The Village encourages employees to participate in the exit interview process conducted by Village President. The interview provides employees with an opportunity to discuss their work experience and to comment on the strengths and weaknesses within both their department and the Village. It is also used to facilitate the return of Village property. Information obtained during the exit interview will not become part of the employee's personnel file.

2.10 Grievance Procedures

The grievance procedure is open to any employee who believes the treatment he/she receives on the job is inequitable or unfair. Bargaining unit employees shall utilize the grievance procedure contained in their respective collective bargaining agreement.

A grievance may be filed by following the steps outlined below:

1. Discuss grievance with an immediate supervisor within two working days of the incident. No grievance will be honored if it is not filed within two days of occurrence. If the supervisor does not reply within three (3) days, or if an employee is dissatisfied with the response of his/her supervisor, he/she may initiate the next step.

2. The grievance must be put into writing and submitted to the Village President within five (5) working days of the supervisor's decision in Step 1. If the Village President does not respond within five (5) work days, it is considered "grievance denied". The employee may initiate Step 3 after this step.

3. If the employee is dissatisfied with Village President's decision, he/she may submit a written request for a final determination to the Village Board within five (5) working days of receipt of the Village President's response or denial, the Village Board will review in detail and give a binding written response within ten (10) working days of his receipt of the grievance.

Article 3: Hours of Work and Work Schedules

Village Hall offices are open Monday through Friday from 8:30AM until 4:30PM.

3.2 Lunch and Rest Periods

Unless otherwise referred to in a covered employees' Collective Bargaining Agreement, every employee is granted 2 fifteen (15) minute rest periods for an eight (8) hour workday. The scheduling of those rest periods should not interrupt work operations.

Employees are additionally granted a thirty (30) minute unpaid lunch period for their eight (8) hour workday.

Lunch and break periods will be scheduled to ensure adequate coverage for the department to assist the general public.

3.3 Overtime

All non-exempt employees, as defined by the Fair Labor Standards Act (FLSA) will receive pay at one and one-half their regular rate for all actual work performed in excess of forty (40) hours per week. In accordance with the FLSA, compensated leave time, including sick, vacation leave, compensatory time, and bereavement time, are not included in the computation of the hours worked for purposes of overtime pay. Overtime shall only be authorized by the Department Head. Only actual time worked is counted toward the calculation of overtime. Bargaining unit employees should reference their agreement.

3.4 Compensatory Time

Under the Code of Federal Regulations Title 29, Section 553.22 compensatory time (comp-time) and comp time off are interchangeable terms under the Fair Labor Standards Act. Comp time off is paid time off that is earned and accrued by an employee in lieu of immediate cash payment for employment in excess of the statutory hours for which overtime compensation is required by Section 7 of the FLSA.

Unless otherwise referred to in a covered employees' Collective Bargaining Agreement, compensatory time will be allowed to accumulate up to a maximum of 80 hours. No

more than 40 hours, shall be authorized by the Village President, to be carried over from one calendar year to the next.

3.5 Attendance and Absenteeism

When employees give notification of their inability to report for work, tardiness or need to leave early, they must speak directly to their supervisor. Notice must be received at least one hour prior to the employees scheduled start time.

The Village will not tolerate, condone or allow any form of harassment by Village employees, or anyone doing business with, or appearing before the Village. The Village encourages reporting of all incidents, regardless of who the offender may be, and will promptly investigate all reported incidents.

4.10 Drugs and Alcohol

The Village of Poplar Grove, Illinois ("Village") seeks to establish guidelines to provide a safe, healthy and secure work environment for City employees and other individuals doing business with the Village. This Alcohol and Substance Abuse Policy outlines the Village's expectations and requirements for creating and maintaining a drug free environment in accordance with the State and Federal laws, including the State and Federal Drug Free Workplace Acts.

SECTION 4.10-1.

- A. The Village of Poplar Grove recognizes that drug and alcohol abuse are pervasive in our society. The Village further recognizes that the workplace is not exempt from the use and abuse of such substances.
- B. The use and misuse of alcohol and drugs by the Village of Poplar Grove's employees is contrary to a drug free workforce and workplace. The use of these substances increases the potential for accidents, absenteeism, substandard performance, turnover, misconduct, poor employee morale, damage to property, injury to the public and/or other employees, or degradation of trust in the Village to service its citizens effectively. All employees working for the Village are expected to report fit for duty for scheduled work and to be able to perform assigned duties safely and acceptably without any limitations due to the use or after effects of cannabis, including medical cannabis, or other drugs, dangerous substances or alcohol. Therefore, the following Alcohol and Substance Abuse Policy is adopted.

SECTION 4.10-2.

- A. All employees of the Village of Poplar Grove shall be governed by the principles of a drug free workforce and workplace, and

1. Shall not be under the influence or effects of alcohol, drugs or other dangerous substances while on duty, performing their assigned duties or while "on-call" for duty;
2. Shall not use, distribute, sell, or possess illegal drugs;
3. Shall not use alcohol, drugs or other dangerous substances during working hours, during breaks or meal periods, when scheduled to return to work or when subject to being called to work;
4. Shall not possess, store or transport alcohol or drugs while on Village premises, at Village work locations or in Village vehicles or equipment;
5. Shall not sell, distribute, dispense or transfer alcohol, drugs or prescription drugs and medications to any other employee or to any person while on duty, on call or acting in an official capacity.
6. Shall inform the Department Head of any limitations as a result of drug use (prescription or over the counter) that may impact the performance of duty.

The prohibitions in this policy encompass, but are not limited to use of: narcotics (heroin, morphine, opioids, etc.), cannabis (marijuana, hashish, cannabis-infused products), stimulants (cocaine, crack, diet pills, etc.), depressants (tranquilizers), and hallucinogens (PCP, LSD, "designer drugs," etc.). This policy prohibits the possession or use of cannabis in the workplace or being under the influence of cannabis, including as a "qualifying patient" under the Illinois Compassionate Use of Medical Cannabis Pilot Program Act during the work day or work activities. Compliance with this policy is a condition of employment.

An employee is considered to be under the influence of drugs if the employee has a confirmed positive test result for drug use or their metabolites pursuant to federal HHS-certified lab cutoff concentrations or has engaged in conduct evidencing apparent impairment. An employee shall be considered to be under the influence of alcohol if there is a concentration of .02 or more based upon the grams of alcohol per 100 millimeters of blood.

Nothing contained herein shall preclude an employee from consuming alcoholic beverages while in the performance of duty under proper and specific orders from a superior provided that the officer's ability to perform the assignment or function is not impaired.

- B. All employees are governed by these requirements and should be aware that violations will result in disciplinary action up to and including termination. Nothing in this policy shall be considered as limiting the Village's right to take administrative or disciplinary action, up to and including termination, for involvement with illegal drugs or alcohol not specifically addressed in this policy.

SECTION 4.10-3. DRUG AND ALCOHOL TESTING

- A. Because, of the Village's concern for its obligation to provide a safe work place and to provide its citizens with the most efficient and effective services, it will test applicants and employees under the following circumstances:

1. Pre-Employment: All applicants to whom an offer of employment has been extended shall be tested for alcohol and drugs. The offer of employment will be revoked for any applicant who tests positive for alcohol or drugs.
2. Promotion to a Higher Classification: The Village will test any employee being promoted to a higher Classification. Any such employee who tests positive will become ineligible for the promotion and will be subject to disciplinary action, including termination.
3. Reasonable Suspicion: If the Village has reasonable suspicion that an employee has violated any provision of this policy pertaining to drugs, alcohol, or other dangerous substances, the employee shall be required to submit to testing. Reasonable suspicion is defined in the "Definitions" section of this policy.
4. Special Circumstances: An employee may also be tested for drugs, alcohol or other dangerous substances:
 - a. as part of a regularly scheduled physical examination;
 - b. when an officer has been involved in a major incident, such as a shooting, an injury to a citizen or co-worker, or a complaint alleging use of excessive force; or
 - c. when an officer is assigned to a departmental or outside drug enforcement group or when an employee is assigned primarily to drug enforcement responsibilities.
5. Post-Accidents: All employees who may have contributed to a work-related accident or injury are directly or indirectly involved in an accident or injury shall be tested. This applies to any accident whether it involves a vehicle, equipment, or personal injury.

- B. Employees who violate the alcohol or drug regulations and who are permitted to remain employed must submit to unannounced follow-up tests after they return to work. In the first 12 months after returning, an employee must take at least six tests. Follow-up testing may be extended for up to 48 months following return to duty.

SECTION 4.10-4. TESTING PROCEDURES

- A. While the Village reserves the right to establish the procedures under which employees will be tested for alcohol and illegal drugs, to the extent circumstances permit, the Village will observe the following:
1. Every effort will be made to respect the privacy and dignity of employees in the test sample collection process.

2. Will use only a clinical laboratory or hospital facility that is licensed pursuant to the Illinois Clinical Laboratory Act, that has been or is capable of being accredited by the Substance Abuse and Mental Health Services Administration (SAMHSA) and insure that the laboratory/facility conforms to applicable SAMHSA standards. The name and address of the facility will be available to employees upon request.
3. Ensure that the facility has established "chain of custody" procedures for both the sample collection and testing that will ensure the integrity of the identity of each sample and test result.
4. Positive drug test results are subject to a second confirmatory test of the same sample by gas chromatography (GCMS) or an equivalent scientifically accurate and accepted method that provides quantitative data about any detected drug or drug metabolites and Medical Review Officer review.
5. The Department Head will receive drug and alcohol test results.
6. Drug and alcohol test result will be filed in the employee's medical file and will be treated as a confidential medical record. Supervisors or managers may be informed of drug testing results and/or employee's participation in a substance abuse rehabilitation program as such information relates to the employee's performance of work duties and/or reasonable accommodation issues.
7. Provide each employee tested with a copy of all information and reports received in connection with the testing and the results.

SECTION 4.10-5. DISCIPLINE

- A. Positive Test Results: Where the employee tests positive on both the initial and confirmatory tests for drugs, alcohol or other dangerous substances, the employee shall be subject to disciplinary action up to and including discharge and/or be required to complete a drug/alcohol rehabilitative treatment program at the employee's expense, to the extent not covered by insurance. An employee who wishes to have a second test done at the testing facility or at a different testing facility may do so at his/her expense.
- B. Refusal to Provide a Blood, Breath, or urine Specimen: An employee's refusal to provide a urine, breath and/or blood specimen for laboratory testing when requested by the Village shall constitute cause for disciplinary action, up to and including discharge of the employee. If the employee is physically unable to provide a urine specimen, the Village may request a blood specimen for Laboratory testing.
- C. Tampering With or Substitution of a Specimen: Intentionally tampering with, causing another person to tamper with, substituting for, or causing another person to substitute for a urine and/or blood specimen, whether the employee's own specimen or another employee's specimen, shall constitute cause for disciplinary action up to and including discharge of the employee who engages in such activity.

- D. **Drug-Related Conviction:** The conviction of an employee for any offense involving illegal possession, sale, use or distribution of a drug shall constitute cause for disciplinary action up to and including discharge, whether or not such offense occurred during normal work hours. Such arrests and convictions must be reported to the employee's supervisor within twenty-four (24) hours of such arrest/conviction.

SECTION 4.10-6. EMPLOYEE ASSISTANCE PROGRAM

- A. An employee may desire to come forward on a self-initiated basis to seek help for an alcohol or drug abuse problem and to resolve that problem voluntarily. Employees voluntarily seeking assistance for a problem involving illegal drug use or alcohol abuse may avail themselves of this help once during the employee's tenure.
- B. The employee will not be subject to disciplinary action for voluntarily coming forward for help. However, the employee will not escape discipline by requesting such assistance after being requested to take an alcohol and/or drug test or violating Village policies and/or rules of conduct. Voluntary requests for help will be kept confidential into the extent practical.

SECTION 4.10-7. SEARCHES

- A. In order to accomplish the goals of this policy, or for similar administrative purposes, the Village may search employees and inspect their personal property (i.e., locker, work area, vehicles parked on Village property (with reasonable suspicion) etc), at the Village's discretion.
- B. All searches and inspections will be performed with appropriate regard and concern for the personal privacy of the employee to the extent possible without jeopardizing the investigation. Failure to submit to or cooperate in such a search may result in disciplinary action, including termination.

4.11 Tobacco Usage

In accordance with the Smoke Free Illinois Law, the Village prohibits tobacco usage, including e-cigarettes, in any form in all buildings owned or leased by the Village, and in all Village-owned or leased vehicles. Employees who choose to smoke must remain 15 feet away from any entrance, exit or ventilation intake.

4.12 Concealed Carry

Public Act 98-0063 created a new "Firearm Concealed Carry Act," and also amended portions of many other acts, in order to create a system whereby Illinois residents can apply for a concealed carry license. All municipal buildings and any municipal vehicles, libraries, etc. are designated as "prohibited areas" for concealed carry licensees to carry their weapons. All employees, regardless of whether they are licensed under Illinois Law, are strictly prohibited from carrying a concealed weapon into any Prohibited Area, and from carrying a concealed weapon while acting in any capacity in his or her employment with the Village.

4.13 Hands Free/Cell Phone Driving Ban

Pursuant to 625 ILCS 5/12-610.2, Illinois drivers may not operate a motor vehicle on a roadway while using an electronic communication device, specifically a cell phone.

4.14 Prohibition on Sexual Harassment

It is unlawful to harass a person because of that person's sex. The courts have determined that sexual harassment is a form of discrimination under Title VII of the U.S. Civil Rights Act of 1964, as amended in 1991. All persons have a right to work in an environment free from sexual harassment. Sexual harassment is unacceptable misconduct which affects individuals of all genders and sexual orientations. It is a policy of the Village of Poplar Grove to prohibit harassment of any person by any municipal official, municipal agent, municipal employee or municipal agency or office on the basis of sex or gender. All municipal officials, municipal agents, municipal employees and municipal agencies or offices are prohibited from sexually harassing any person, regardless of any employment relationship or lack thereof.

I. DEFINITION OF SEXUAL HARASSMENT

This policy adopts the definition of sexual harassment as stated in the Illinois Human Rights Act, which currently defines sexual harassment as:

Any unwelcome sexual advances or requests for sexual favors or any conduct of a sexual nature when:

- (1) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment,
- (2) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or
- (3) Such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

Conduct which may constitute sexual harassment includes:

- Verbal: sexual innuendos, suggestive comments, insults, humor, and jokes about sex, anatomy or gender-specific traits, sexual propositions, threats, repeated requests for dates, or statements about other employees, even outside of their presence, of a sexual nature.
- Non-verbal: suggestive or insulting sounds (whistling), leering, obscene gestures, sexually suggestive bodily gestures, "catcalls", "smacking" or "kissing" noises.
- Visual: posters, signs, pin-ups or slogans of a sexual nature, viewing pornographic material or websites.
- Physical: touching, unwelcome hugging or kissing, pinching, brushing the body, any coerced sexual act or actual assault.
- Textual/Electronic: "sexting" (electronically sending messages with sexual content, including pictures and video), the use of sexually explicit language, harassment, cyber stalking and threats via all forms of electronic communication (e-mail, text/picture/video messages, intranet/on-line postings, blogs, instant messages and social network websites like Facebook and Twitter).

The most severe and overt forms of sexual harassment are easier to determine. On the other end of the spectrum, some sexual harassment is more subtle and depends, to

some extent, on individual perception and interpretation. The courts will assess sexual harassment by a standard of what would offend a "reasonable person."

II. PROCEDURE FOR REPORTING AN ALLEGATION OF SEXUAL HARASSMENT

An employee who either observes sexual harassment or believes herself/himself to be the object of sexual harassment should deal with the incident(s) as directly and firmly as possible by clearly communicating her/his position to the offending employee, and her/his immediate supervisor. It is not necessary for sexual harassment to be directed at the person making the report.

Any employee may report conduct which is believed to be sexual harassment, including the following:

- *Electronic/Direct Communication.* If there is sexual harassing behavior in the workplace, the harassed employee should directly and clearly express her/his objection that the conduct is unwelcome and request that the offending behavior stop. The initial message may be verbal. If subsequent messages are needed, they should be put in writing in a note or a memo.
- *Contact with Supervisory Personnel.* At the same time direct communication is undertaken, or in the event the employee feels threatened or intimidated by the situation, the problem must be promptly reported to the immediate supervisor of the person making the report, a department head, a director of human resources, an ethics officer, the city manager or President, or the chief executive officer of the municipality.

The employee experiencing what he or she believes to be sexual harassment must not assume that the employer is aware of the conduct. If there are no witnesses and the victim fails to notify a supervisor or other responsible officer, the municipality will not be presumed to have knowledge of the harassment.

- *Resolution Outside Municipality.* The purpose of this policy is to establish prompt, thorough and effective procedures for responding to every report and incident so that problems can be identified and remedied by the municipality. However, all municipal employees have the right to contact the Illinois Department of Human Rights (IDHR) or the Equal Employment Opportunity Commission (EEOC) for information regarding filing a formal complaint with those entities. An IDHR complaint must be filed within 300 days of the alleged incident(s) unless it is a continuing offense. A complaint with the EEOC must be filed within 300 days.

Documentation of any incident may be submitted with any report (what was said or done, the date, the time and the place), including, but not limited to, written records such as letters, notes, memos and telephone messages.

All allegations, including anonymous reports, will be accepted and investigated regardless of how the matter comes to the attention of the municipality. However, because of the serious implications of sexual harassment charges and the difficulties associated with their investigation and the questions of credibility involved, the claimant's willing cooperation is a vital component of an effective inquiry and an appropriate outcome.

III. PROHIBITION ON RETALIATION FOR REPORTING SEXUAL HARASSMENT ALLEGATIONS

No municipal official, municipal agency, municipal employee or municipal agency or office shall take any retaliatory action against any municipal employee due to a municipal employee's:

1. Disclosure or threatened disclosure of any violation of this policy,
2. The provision of information related to or testimony before any public body conducting an investigation, hearing or inquiry into any violation of this policy, or
3. Assistance or participation in a proceeding to enforce the provisions of this policy.

For the purposes of this policy, retaliatory action means the reprimand, discharge, suspension, demotion, denial of promotion or transfer, or change in the terms or conditions of employment of any municipal employee that is taken in retaliation for a municipal employee's involvement in protected activity pursuant to this policy.

No individual making a report will be retaliated against even if a report made in good faith is not substantiated. In addition, any witness will be protected from retaliation.

Similar to the prohibition against retaliation contained herein, the State Officials and Employees Ethics Act (5 ILCS 430/15-10) provides whistleblower protection from retaliatory action such as reprimand, discharge, suspension, demotion, or denial of promotion or transfer that occurs in retaliation for an employee who does any of the following:

1. Discloses or threatens to disclose to a supervisor or to a public body an activity, policy, or practice of any officer, member, State agency, or other State employee that the State employee reasonably believes is in violation of a law, rule, or regulation,
2. Provides information to or testifies before any public body conducting an investigation, hearing, or inquiry into any violation of a law, rule, or regulation by any officer, member, State agency or other State employee, or
3. Assists or participates in a proceeding to enforce the provisions of the State Officials and Employees Ethics Act.

Pursuant to the Whistleblower Act (740 ILCS 174/15(a)), an employer may not retaliate against an employee who discloses information in a court, an administrative hearing, or before a legislative commission or committee, or in any other proceeding, where the employee has reasonable cause to believe that the information discloses a violation of a State or federal law, rule, or regulation. In addition, an employer may not retaliate against an employee for disclosing information to a government or law enforcement agency, where the employee has reasonable cause to believe that the information discloses a violation of a State or federal law, rule, or regulation. (740 ILCS 174/15(b)).

According to the Illinois Human Rights Act (775 ILCS 5/6-101), it is a civil rights violation for a person, or for two or more people to conspire, to retaliate against a person because he/she has opposed that which he/she reasonably and in good faith believes to be sexual harassment in employment, because he/she has made a charge, filed a

complaint, testified, assisted, or participated in an investigation, proceeding, or hearing under the Illinois Human Rights Act.

An employee who is suddenly transferred to a lower paying job or passed over for a promotion after filing a complaint with IDHR or EEOC, may file a retaliation charge – due within 300 days (IDHR) or 300 days (EEOC) of the alleged retaliation.

IV. CONSEQUENCES OF A VIOLATION OF THE PROHIBITION ON SEXUAL HARASSMENT

In addition to any and all other discipline that may be applicable pursuant to municipal policies, employment agreements, procedures, employee handbooks and/or collective bargaining agreement, any person who violates this policy or the Prohibition on Sexual Harassment contained in 5 ILCS 430/5-65, may be subject to a fine of up to \$5,000 per offense, applicable discipline or discharge by the municipality and any applicable fines and penalties established pursuant to local ordinance, State law or Federal law. Each violation may constitute a separate offense. Any discipline imposed by the municipality shall be separate and distinct from any penalty imposed by an ethics commission and any fines or penalties imposed by a court of law or a State or Federal agency.

V. CONSEQUENCES FOR KNOWINGLY MAKING A FALSE REPORT

A false report is a report of sexual harassment made by an accuser using the sexual harassment report to accomplish some end other than stopping sexual harassment or retaliation for reporting sexual harassment. A false report is not a report made in good faith which cannot be proven. Given the seriousness of the consequences for the accused, a false or frivolous report is a severe offense that can itself result in disciplinary action. Any person who intentionally makes a false report alleging a violation of any provision of this policy shall be subject to discipline or discharge pursuant to applicable municipal policies, employment agreements, procedures, employee handbooks and/or collective bargaining agreements.

In addition, any person who intentionally makes a false report alleging a violation of any provision of the State Officials and Employees Ethics Act to an ethics commission, an inspector general, the State Police, a State's Attorney, the Attorney General, or any other law enforcement official is guilty of a Class A misdemeanor. An ethics commission may levy an administrative fine of up to \$5,000 against any person who intentionally makes a false, frivolous or bad faith allegation.

4.15 Workplace Violence Policy

The Village of Poplar Grove is committed to preventing workplace violence and to maintaining a safe work environment. The Village has adopted the following guidelines to deal with intimidation, harassment or other threats of or actual violence that may occur onsite or offsite during work-related activities. All employees are covered under this policy.

Prohibited Conduct

All employees, citizens, suppliers and business associates should be treated with courtesy and respect at all times. Employees are expected to refrain from fighting, "horseplay" or other conduct that may be dangerous to others. Conduct that threatens,

intimidates or coerces another employee, citizen, supplier or business associate will not be tolerated. Village of Poplar Grove resources may not be used to threaten, stalk or harass anyone at or outside the workplace. The Village treats threats coming from an abusive personal relationship as it does other forms of violence.

Indirect or direct threats of violence, incidents of actual violence and suspicious individuals or activities should be reported as soon as possible to a department head. When reporting a threat or incident of violence, please be as specific and detailed as possible. Employees should not place themselves in peril, nor should they attempt to intercede during an incident.

Employees should promptly inform the Department Head or Village President of any protective or restraining order that they have obtained that lists the workplace as a protected area. Employees are encouraged to report safety concerns with regard to intimate partner violence. The Village of Poplar Grove will not retaliate against employees making good-faith reports. The Village is committed to supporting victims of intimate partner violence by providing referrals to community resources and providing time off for reasons related to intimate partner violence. (Please see the Village's VESSA (Victim's Economic Safety & Security Act) Policy.

Investigations and Enforcement

The Village of Poplar Grove will promptly and thoroughly investigate all reports of threats of violence or incidents of actual violence and of suspicious individuals or activities. The identity of the individual making a report will be protected as much as possible. The Village will not retaliate against employees making good-faith reports of violence, threats or suspicious individuals or activities. To maintain workplace safety and the integrity of its investigation, the Village may suspend employees suspected of workplace violence or threats of violence, either with or without pay, pending investigation.

Anyone found to be responsible for threats of or actual violence or other conduct that is in violation of these guidelines will be subject to prompt disciplinary action up to and including termination of employment.

The Village of Poplar Grove encourages employees to bring their disputes to the attention of their supervisors before the situation escalates. The Village will not discipline employees for raising such concerns.

Village of Poplar Grove employees and applicants for employment may request a reasonable accommodation for pregnancy, childbirth or related medical or common conditions to enable them to perform the essential functions of their job. In accordance with the Illinois Human Rights Act (IHRA), a reasonable accommodation will be provided unless the accommodation will impose an undue hardship on the company's business operations.

Reasonable accommodations may include but are not limited to: modifications or adjustments to the job application process; more frequent or longer bathroom, water or rest breaks; assistance with manual labor; light duty; temporary transfer to a less-strenuous or -hazardous position; acquisition or modification of equipment; reassignment to a vacant position; private, non-restroom space for expressing breast milk and breastfeeding; job restructuring; a part-time or modified work schedule; appropriate adjustment to or modification of examinations, training materials or policies; seating; an accessible worksite; and time off to recover from conditions related to childbirth, or a leave of absence necessitated by pregnancy, childbirth or medical or common conditions resulting from pregnancy or childbirth.

Reinstatement is not required, however, if an undue hardship would result to the Village's business operations.

When an employee is provided with a leave of absence as a reasonable accommodation and the need for time off is foreseeable, the employee must provide prior notice of the need for leave in a manner that is reasonable and practicable. When the need for time off or leave is foreseeable based on planned medical treatment or supervision, the employee must also make a reasonable effort to schedule the treatment or supervision in a manner that does not unduly disrupt Village operations, subject to the approval of the employee's health care provider. If the need for leave is not foreseeable or expected, the employee must provide notice to the Village as soon as possible and practical and in a manner that is reasonable and practicable.

The Village may request certain documents from an employee or applicant's health care provider regarding the need for an accommodation. It is the employee's or applicant's duty to provide the requested documentation to the Village.

The Village will not deny employment opportunities or take adverse employment actions against employees or otherwise qualified applicants for employment based on the need to make such reasonable accommodations, nor will the Village retaliate against applicants or employees who request, use or attempt to use accommodations or otherwise exercise their rights under the IHRA.

For a minimum of one-year following the birth of a child, each employee is entitled to a reasonable amount of break time to expel breast milk for the employee's infant child. During this time, lactation time may run concurrently with any break time already provided to the employee, however an employee's lactation time will not reduce an employee's compensation. The Village will provide an appropriate and private location for such activity. Please contact your Department Head for additional information regarding lactation accommodation.

Employees who have questions about this policy or who wish to request a reasonable accommodation under this policy should contact Human Resources.

- Tax and legal implications: The employee must determine any tax implications under the Internal Revenue Service, legal implications from state governments and/or restrictions of working out of a home-based office. Responsibility for fulfilling all obligations in this area rests solely with the employee.

The Village President, or his or her designee, and the Department Head will discuss the employee's need for telecommuting along with job responsibilities and scheduling issues. If the Village President, or his or her designee, agrees that telecommuting is a viable option then the Village President, or his or her designee, shall inform the Department Head or employee in writing that telecommuting has been authorized along with the terms and conditions of such telecommuting. The Department Head or employee shall be required to acknowledge and agree to the terms and conditions of such telecommuting in writing.
