Karri Anderberg, Clerk
Village of Poplar Grove
200 N Hill St
Poplar Grove, IL 61065-6500

Dear Karri Anderberg:

For more than a century, the Illinois Municipal League (IML) has worked continuously to protect the interests of the 1,298 cities, villages and towns in Illinois. Perhaps now more than ever, in the wake of a global health pandemic, as unfunded mandates stack up and as revenues lag behind expenses, our members rely on the strength of a statewide organization to advocate for them at both the state and federal levels.

IML membership ensures your community has ongoing access to a growing list of benefits beyond legislative advocacy. Additional member benefits include convenient and affordable education and training opportunities, including the IML Annual Conference, the monthly *Review* magazine, e-newsletters, fact sheets, manuals and handbooks, quarterly revenue forecasting reports, model ordinances, advisory legal opinions, *amicus* legal briefs, GrantFinder access and much more.

We created a short video to showcase the importance and value of being an IML member. The video can be accessed at iml.org/video, and we encourage you to view it and share it with others.

The IML Board of Directors and staff are making ambitious plans for 2021, and we rely on the support of members to continue our push to empower local decision making and protect municipal revenues. IML membership is an investment in your community and we strive to keep our membership affordable. **To that end, IML has not increased membership dues in the last five years**.

Enclosed are a few documents to demonstrate the value of your membership investment. Only by your support are we able to provide valuable, timely and important information to Illinois municipalities. I encourage you to review this information and share it with other municipal officials within your community. **Please renew your municipality's membership today so you can continue to benefit from all IML has to offer.** Enclosed is your membership renewal invoice.

Should you have any questions or if we can otherwise be of service, please feel welcome to contact me directly at (217) 525-1220. **Thank you for your membership in the Illinois Municipal League.**

Yours very truly,

BRAD COLE

ILLINOIS MUNICIPAL LEAGUE

Illinois Municipal League Membership: An Investment in the Community

November 1, 2020

PROTECTING MUNICIPAL REVENUES

As part of its core policies and principles, the Illinois Municipal League (IML) advocates aggressively in support of protecting municipal revenues. Through this advocacy, IML was able to ensure that the State Fiscal Year (SFY) 2021 budget did not further reduce the local share of state income tax revenue or increase the administrative fee the state imposes on the collection of local sales taxes. While these outcomes were favorable, IML will continue to fight for the full restoration of diverted income and sales tax revenues.

Additionally, IML will continue to advocate for the automatic appropriation of state-shared municipal revenues, the elimination or reduction of the sales tax administrative fee, and oppose any legislation that diverts, reduces or hampers local revenues.

STATE AND FEDERAL ADVOCACY

IML maintains relationships with the Illinois General Assembly in order to provide a strong voice for local government. In 2020, IML proactively introduced and pursued an aggressive legislative agenda intended to help municipal leaders solve local problems. In addition, IML staff worked successfully to stop harmful legislation from becoming law.

IML advocacy doesn't end at the Illinois State Capitol. IML also directly engages with members of Congress on federal issues that impact our members. Additionally, IML partners with the National League of Cities (NLC), the United States Conference of Mayors (USCM) and Illinois' entire Congressional delegation to advance the interests of local governments and shape federal policy. As a result of our comprehensive efforts, IML ranks among the leading state municipal leagues in federal advocacy.

BENEFITS OF MEMBERSHIP

As a benefit of membership in the Illinois Municipal League, a community receives discounted registration rates at the IML Annual Conference and other IML seminars and events, and when ordering from our vast library of manuals and handbooks. Members also receive timely legal and legislative updates via e-newsletters and our website, in addition to subscriptions to the monthly *Review* magazine. The annual municipal calendar of statutory duties and quarterly state shared revenue estimates are specialized, helpful resources.

An equally important member benefit is access to a team of attorneys, lobbyists and other professionals on staff at IML.

Please feel welcome to contact any member of IML staff at any time.

COVID-19

IML has been at the forefront of discussions regarding the response to COVID-19 and the recovery efforts that have followed. On the dedicated section of IML's COVID-19 website (iml.org/covid) members can review our efforts that have included sending requests and information to the Governor, legislative leaders, other state constitutional officers, the Illinois Congressional Delegation and the Illinois General Assembly. IML also participated in various working groups, highlighting specific proposals to benefit municipalities through recovery efforts.

IML conducted a comprehensive survey to chronicle the impact of COVID-19 on municipal governments. Results of the survey show that lost revenue is at the forefront of municipal concerns. Nearly 87% of responding communities expect to realize a revenue shortfall due to the COVID-19 pandemic. Communities across the state also had many non-fiscal or non-revenue related concerns.

IML is tracking resources, advocating for our members and drafting guidance to assist municipalities in dealing with the COVID-19 crisis. All of these resources and all COVID-19 updates are available at iml.org/covid. IML will continue to distribute timely, reliable and pertinent information on an ongoing basis.

THANK YOU

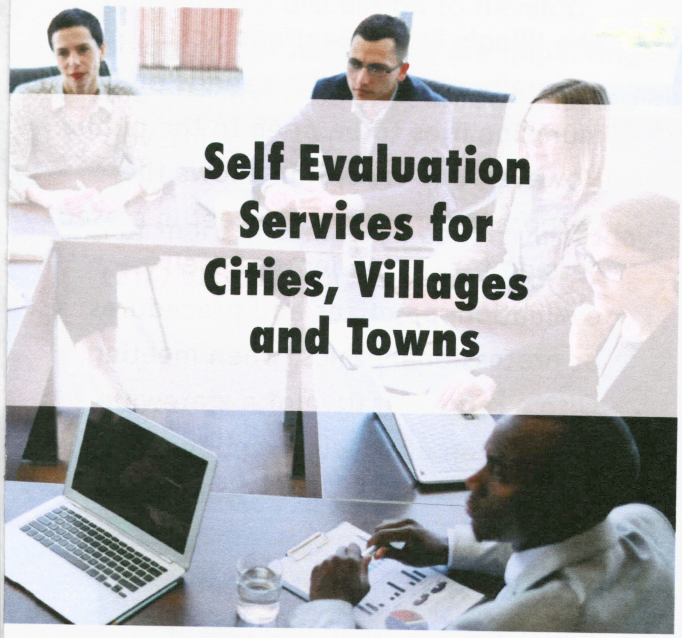

The Illinois Municipal League is committed to provide a valuable return on the investment of your membership dues. It is through your support that we are able to continue to expand our reach, strengthen our impact and make a difference for your residents. Thank you for the confidence and trust you place in us.
