Date: January 7, 2022

Re: Monthly Report – December

## **Summary**

The number of permits, inspections, code enforcement, and other activities equaled 166. This number increased from 92 in November to 166 in December.

We have been performing permit close-out inspections in December which is why inspections increased substantially, from 47 in November to 118 in December.

Below are the statistics for the month of December.

## **Category**
