Re: **2021 Pavement Maintenance Program**

Date: **March 3, 2021**

Please allow this to follow up the various discussions regarding the 2021 Pavement Maintenance Program. As a brief refresher the Village has elected to complete the following:

- Boeing Trail between Titleist and Saratoga. Scope of work is to remove/replace areas of curbing that have settled, adjust the manholes to grade and install chimney seals where needed, install leveling binder where the pavement has settled and resurface the roadway. Opinion of probable construction cost is $85,000.
- Washington Street between Main and Park: Scope of work is to resurface Washington Street and to further construct the feasible ADA ramps to accommodate future sidewalk improvements. The sidewalk improvements will be constructed under separate contract after the resurfacing is complete. Opinion of probable construction cost is $30,000 for the street improvements. Road and Bridge funding will be used for the Washington Street Improvements.
- Beech Bay: Scope of work is to resurface Beech Bay between IL 76 and Waco. The Village identified this project as a need back in 2017 and now has funding for the project. Opinion of probable construction cost is $75,000.
- IL 76/Whiting Road Intersection: There is a section of pavement that is shoving at the intersection. The area that is shoving (and surrounding area) will be milled and the pavement will be patched. Opinion of probable construction cost is $7,000.
- Inlet and manhole repairs at various locations, approximately $13,000 in repairs will be done. Our intent is to repair as many inlets as the budget will allow and the Public Works Department has supplied a list of inlets for repair.

Attached to this memo is a resolution to authorize public bid letting for the 2021 Pavement Maintenance Program. Surveying will be completed as soon as the snow cover is reduced to the point where we can complete the survey efficiently. Bid letting is still expected to occur in April with a May bid opening; however with the snow cover disappearing it may be possible to accelerate the schedule which is the purpose for presenting the resolution to authorize bidding at this time.

I look forward to discussing this with the Finance and Public Works Committee. In the mean time, please do not hesitate to contact me at 636-9590 if I may provide additional assistance.

RESOLUTION 21-_12__

A RESOLUTION OF THE VILLAGE OF POPLAR GROVE TO AUTHORIZE PUBLIC BID LETTING FOR THE 2021 PAVMENT MAINTENANCE PROGRAM

WHEREAS, the Village of Poplar Grove, Illinois ("Village") desires implement the 2021 Pavement Maintenance Program; and

WHEREAS, pursuant to the Village's purchasing policies, Motor Fuel Tax Policies and State Statute, projects in excess of $25,000 are to be publicly bid; and

WHEREAS, plans and specifications for the 2021 Maintenance Program are ready for public bid letting; and

WHEREAS, the Village has determined that it is in the best interest of the Village and its citizens to undergo the public bid letting process to obtain proposals from contractors for the 2021 Pavement Maintenance Program as set forth herein.

NOW THEREFORE BE IT RESOLVED by the President and Board of Trustees of the Village of Poplar Grove, Boone County, Illinois, that:

1. The above recitals are incorporated herein and made part hereof.

2. The Village Engineer is hereby authorized to advertise the construction drawings and corresponding specifications for the 2021 Pavement Maintenance Program for public bid letting as provided by Ordinance, Motor Fuel Tax Policies, and State Statue.
