The Future Land Use Map designates this area as Commercial.

Department Comments:

Engineering: In accordance with the adopted Master Sidewalk Plan, a Shared Use Path is proposed along N. Virginia St. and Independence Drive. A sidewalk will not be required to be placed on Independence Dr. as there is a plan for infrastructure improvements on that road in the near future. The applicants will need to get with TXDOT for driveway and sidewalk construction on Virginia Street. Civil plans will need to be submitted for review.

Development Services: If approval is granted for this location to be developed as an office building, the property will need to be platted.
