Subject: RE: Workshop

Sure. Also If will try to write a memo, but if I run out of time – perhaps you can include this information – include an agenda item to Discuss proposed donation to City Park for a small theatre arts stage and music park.

Will you Donate to JODY'S 65th BIRTHDAY DREAM?! Hello friends and family and all who, like me, love Port Lavaca and the laughter of children! July is my birthday month and this year it's a big one!! To celebrate 65 trips around the sun, will you help me with my dream? I hope you've seen the progress being made on the United Way Born Learning Trail in City Park (corner of Tilley St & Half League Rd) [City of Port Lavaca](#) and all the wonderful ART work. Well, I want to see Theatre Arts and Music added to the trail! Will YOU please help me raise funds to construct a child size theatrical stage and a small outdoor music park to the trail? I've included some photos of examples. If you would like to help me inspire young children with the magic and wonder of theatre and music, It's easy!! Please consider a generous Donation via Something More Foundation, a local non-profit organization that loves the idea as much as I do. As a bonus, your gift is tax deductible, so a win-win all around!! All donations to JODY's 65th BIRTHDAY DREAM will go towards this project. You can donate via PayPal tania@somethingmorefoundation.com; Venmo @somethingmorefoundation or snail mail to 106 S. Commerce St., Suite 4 Port Lavaca, TX 77979. Reference JODY'S 65TH BIRTHDAY DREAM with your donation. Thank you!! ❤️

Ms. Jody and her Snow Queen cast -
