SUBJECT: CRG Environmental Limited Phase II Update

John Hogue with CRG Environmental received this email on Thursday, August 11 regarding the status of the review of the Limited Phase II ESA.

Good afternoon Mr. Hogue,

I am currently in the process of reviewing the report as we speak. I do apologize for the delay in reviewing the report. I was out of the office for a good portion of July due to some health complications. Once I am finished with my review, my correspondence letter will have to go through a peer review process prior to being submitted. If I have any questions or concerns I will be sure to reach out to you.

Thank you for your time,

Garrett Thering, Project Manager
