Dear Members of the Board,

I am writing to express my interest in serving on the Recreation and Parks Board. As a lifelong resident of our town, I have a deep appreciation for our community and the parks and recreational opportunities that bring families together.

I am a Registered Nurse in the Emergency Department at Memorial Medical Center here in our beautiful town. My nursing career has taught me the importance of service, teamwork, effective communication, and making thoughtful decisions that positively impact others and our community. I would be honored to bring these qualities to the Recreation and Parks Board.

My family and I regularly enjoy many of the parks and recreational amenities our community has to offer. My children especially love the playground at Chocolate Park, and we frequently take advantage of the walking trails at both Chocolate Park and the Pavilion. These spaces have created countless memories for our family, and I would like the opportunity to help ensure they continue to be safe, welcoming, and enjoyable for all residents.

Serving on the Recreation and Parks Board would allow me to give back to the community that has been my home throughout my life. I am committed to supporting the continued growth and improvement of our parks and recreation programs while representing the interests of families and community members.

Thank you for considering my application. I would be honored to serve our community in this capacity and appreciate your time and consideration.

Sincerely,
Maggie Sepulveda
