	5.94 %	5%	8.32 %	5%

WP CONSTRUCTION

*** RE: Overhead DOOR: deduct \$22,750.00 for changing rolling steel doors with openers to sectional overhead doors with chain hoist. \$ 115,150.00 - \$ 22,750.00 = \$94,400.00

NOTE: The intention of the bid documents was to specify a sectional roll-up door with chain hoist. There was some confusion on the plans, so WP Construction has clarified their bid to reflect the difference in price between the two types of doors. Their bid for the scope of the bid documents is \$94,400.00

The Apparent Low Bidder is WP Construction of Inez, Texas. G&W Engineers has worked with them on a couple projects and gave them a very favorable review. In fact the second low bidder BLS Construction indicated that WP Construction is "good folks."
STAFF RECOMMENDATION: Award to WP Construction.

Wayne will have additional information at Monday's meeting regarding available insurance proceeds.
