**CITY OF PORT LAVACA**

---

---

**MEETING:** JANUARY 23, 2025 **AGENDA ITEM** \_\_\_\_

**DATE:** 1.20.2025

**TO:** PORT COMMISSION BOARD MEMBERS CC: JIM RUDELLAT, HARBOR MASTER

**FROM:** JODY WEAVER, INTERIM CITY MANAGER

**SUBJECT:** **POSSIBLE MOORING SPACES ALONG TRACT 1 OF CITY HARBOR**

---

- On Raymond Butler’s To Do List is to discuss possible mooring spaces along Tract 1 of City Harbor.
- There have been occasions in the past where boaters have wanted to tie up to this dock on a temporary basis while visiting Scully’s and more recently, a smaller boat was parked there associated with a crew boat that was paying for monthly dockage.
- The question is whether the Port Commission wants to establish docking/mooring spaces alongside the Tract 1 dock for transient use.

The fees we currently have in place are:

- Daily Fleeting/Mooring: fleeted vessels, equipment or materials other than barges) \$250/day
- Daily Dockage for self -propelled and non self-propelled vessels  
    <75 ft = \$75; 75ft to 100 ft = \$1250; 101 ft to 20 ft = \$200; >200 ft = \$250
  
- Do we need a separate Commercial Vessel Dockage Daily Rate? Or do we use the Daily rates shown above for fishing vessels too.
