

K's Sno Cone Hut

Welcome to K's Sno Cone Hut! It's been a thought mine for over a year now to operate my own Sno Cone stand. COVID melted my mini dream away but this year I'm back to try and open my own stand. Along with the assistance of my parents and the approval by the City of Port Lavaca, I, Kenzy Acosta, am requesting the approval to open and operate my own Shaved Sno Cone stand here within Port Lavaca city Limits.

When it comes to ice cold shaven ice with infinite amount syrup, not even a 100F day can compete. At K's Sno Cone Hut we want to be able to offer shaven sno cones in a variety of sizes and start with our top 20 flavors. As business progresses I'll be able to research and learn different flavors, styles, or tasty habits!!! I have purchased an 8'x 12' bldg. with money I have saved over the years. My mom and dad purchased my sno cone machine the "Sno Wizard" along with a variety of different flavors. My proposed location will be established on privately-owned commercial property located at 449 Broadway. My dad and I have invested the required time and training to take our food handlers course required by the Victoria Health Department.

Operating my own business doesn't only satisfy customer tasty cool down needs, but it's also going to give me the opportunity learn the business aspects, customer relationship, and what it takes to become an entrepreneur.

Going into my Senior year here at Calhoun High School, I've got a lifetime ahead of me to explore but to know, operating my own business at the age of 17, I'm excited, driven, and ready to serve the customers of Port Lavaca and the surrounding visitor to our community.
