

Your information		Approximately how often do you visit the Brookhollow Estates Pocket Park on Harbor Drive?		What do you like/enjoy about this Park?		What would you like to see happen with the area where the fitness stations are?				Would you support replacing a portion of the existing wood privacy fence with a commercial grade wrought iron fence in order to have a view of the bay?		What other improvements would you like to see in the Park?		Would you support and utilize the construction of a 5 ft wide sidewalk along Smith Road from El Camino Real to Bay Vista?		If bike lanes were established on Smith Road, would you utilize them? Would you support bike lanes being painted on Smith Road?		Do you walk or bike to Lighthouse Beach Park on occasion?		Would you support TxDOT establishing bike lanes on Broadway/Commerce if that meant eliminating the current continuous turn lane into El Camino Real?		Do you often use the southbound turn lane into El Camino Real?		Additional comments (if any)

					The playground is nice. However the swings are only geared for 2 children 1 infant and 1 regular. We need more swings to accommodate older kids. More amenities could be added to playground area like a seesaw or climbing dome. The workout equipment is rusted and out of date. The only thing we see utilize from that area near playground is the vertical climb. More shaded options for residents to sit on bench while watching child would be nice also.	Remove the existing stations and replace with a playscape.	play	Yes			Shade!!! A shaded tent of some sort for seating or picnic tables would be so nice. We often sit on grass with blanket but no shade while watching kids play.	Yes		Yes		Yes	no		Many residents walk dogs, have kiddos with bikes and scooters.
