AGENDA ITEM: NUMBER 4 (c)

Discuss property values and evaluations - Presenter Jody Weaver

Update on Port Facilities Appraisals

I just wanted to drop you an email and give you an update. Between the holidays, a stint of illness, and some court testimony work, I got behind on these reports. That said, I have shifted full focus to them and am working diligently to get them completed. Our office has another appraiser working on the Nautical Landing building and marina who is an expert in that asset class.

I expect to have the first of our reports to you shortly with the remainder trickling by the end of this month. Thank you for your patience and feel free to reach out with any questions or concerns.

Sincerely,

Richard Jander
