Dear Members of Port Lavaca City Council

I, Sheryl Moore Cuellar, am submitting this letter asking you to please vote to reinstate me as a member of the City of Port Lavaca Planning Board. I have served three terms and have enjoyed the work that we have done to make Port Lavaca the best it can be both in the near future and in the decades to come.

I have been very excited to see the changes and additions we have discussed and passed on to you come to fruition and see the positive impact and growth it has been for the citizens of this city. We have such wonderful people working towards a common goal in so many different areas of this city office and within the community that I am looking forward to seeing things through and being a part of the growth and pulse of the city.

I hope that you will consider what we have accomplished and will allow me to continue in my work for you and our wonderful city.

Sincerely,

Sheryl Moore Cuellar
